Foreword

As the school days pass quickly, the memories of those days remain. The 1970 "Mariner" has tried to capture those memories through words and pictures. The great night of the prom, the days of casual meetings of students in the hall, or our teams we're all so proud of, are all a part of these memories.

At this time we would like to express our "thanks" to everyone who made this publication possible. Many thanks to the 69-70 staff for their help and cooperation.
